Truffles and Clusters

Each of our truffles and clusters is handcrafted from scratch in our kitchen, using only the finest ingredients and traditional European techniques. Every piece is made with care, and we never add preservatives to any of our chocolates.

Choose your favourites individually, or create a custom assortment in any of our boxes. For effortless gifting, we also offer beautifully packaged assorted boxes — perfect when you want something thoughtful, elegant, and ready to give.

Please see the bottom of this page for our full list of available flavours.

With the exception of a single decoration — the *orange* coloured pearl placed on our Orange Truffle — **all of our truffles and clusters are completely gluten free**.
